

A **SAFE** AND **CLEAN** ENVIRONMENT IS A PRIORITY

WE **CARE** ABOUT YOUR COMFORT IN OUR FACILITY

FOR YOUR EVENT

- Pre-Event planning with our trained Event Coordinators to fulfill your safety goals
- Zoom and/or Virtual Tours available for pre-event planning meetings
- Creation of floor plans showing current social distancing requirements for event space set ups
- Digital and static signage with current Michigan Department of Health & Human Services (MDHHS) guidelines and/or Meeting Planner guidelines located at each facility entrance
- Frequent cleaning of all surfaces in public spaces and restrooms
- Wall hung sanitizing dispensers at each restroom location and throughout pre-function
- Mobile Check In at our Hyatt Place Hotel
- Following current procedures and protocols as required by MDHHS
- Large high ceiling open volumes of space well ventilated through large commercial air handling units
- Infrastructure available to appropriately handle your technology/streaming for hybrid events

UPON REQUEST BY EVENT PLANNER

- Social distancing signage and decals to indicate safe distancing in areas of the facility operations
- Employees to be provided personal protection equipment including facemasks & gloves to be used in accordance with MDHHS guidelines
- F&B menus focusing on touchless operations using pre-packaged beverages, snacks, bakery and breakfast items
- Designated isolation room for those experiencing symptoms
- List of local Healthcare Facilities for referral
